## INVITATION TO THE DANCE

Dance House requests the pleasure of your dancing feet in preparation for that perfect **Wedding Waltz**...

Private or group tuition for the bride, groom, best men, bridesmaids, parents-of-the bride and groom!

Or entertain your guests with a traditional **Highland Wedding Reel** - involving all the family!

Dance House also provide dance sessions for **Charity Events, Hen Parties, Staff Development Days and Corporate Events**. We guarantee a refreshing approach tailored to your needs, which is sure to provide a fun way to party or work together.

For schools we can provide a wide variety of **creative and imaginative cross curricular workshops** which are specifically devised to help deliver the arts infused approach to learning promoted in the **Curriculum for Excellence**. However, workshops can also be adapted to suit the specific learning needs of any school or community group.

We also have an inspiring **Continuing Professional Development** programme (CPD), and can offer both twilight and full day training sessions for teachers. The CPD sessions will give teachers a valuable insight into how dance and creative movement can be incorporated into the effective delivery of the Curriculum for Excellence and also enable dance teachers to deliver inspirational and life enhancing dance tuition.
